Background

On January 1, 2001, the City entered into a Professional Service Agreement with Wayne Pieske (Agreement #17493) for a not to exceed \$50,000 contract to provide computer support services for the Equipment Division's M4 management system and Public Works Domain network. It has been determined that we will require the services of Mr. Pieske for an additional \$15,000 for a new total of \$65,000. These expenses have been budgeted so no appropriation increase is requested. This request has been reviewed and approved by ITS and is consistent with their outsourcing initiative. Therefore, we are requesting that proper City officials be authorized to execute an Amendment #1 to Agreement # 01-17493 with Wayne Pieske.
